What is evangelism? And how should it affect your life? In the day to day routine of school, work and life, what does evangelism look like? We are delighted to be hosting GOSPELgame this year alongside LiFEgame.

GOSPELgame is a simulation program developed by LifeIMPACT Ministries in partnership with Wycliffe Singapore. At this event, there will be role play, teaching and training delivered in an interactive environment, all with the purpose of presenting you with a vision of mission and equip you to be a dynamic witness in whatever context God has placed you.

We will help you to develop an engaging and effective style of evangelism and confidence in communicating the gospel, supported by a framework of sound apologetics. Come to be inspired and equipped with practical tools that will benefit your fellowship and local church.
